NEW BUSINESS

Mr. Wasick asked to address the Zoning Commission as a Township resident and approached the podium and spoke from the floor. Mr. Wasick stated that he would like to raise two issues this evening and briefly discuss steps moving forward. Mr. Wasick would request that discussion involving the 3M land along Copley Rd. be placed on the March 1, 2018 agenda. Specifically, discussion and action to address items including:

- Historical Background of 3M Property
- Original Goals/Intent
- Efforts Already Undertaken
- Current Status and Alternatives
- Next Steps

Mr. Wasick asked that the second item to be addressed by the Zoning Commission is more complicated but critical. The issues to be addressed deal with:

- Home Occupations (originally enacted in 1989)
- Other Commercial Activity in Residential Districts
- Expanded concept of Conditional Zoning - Article 7
- Non-Conforming Activities - Legal 1949-70 years) versus non-legal activities (less than 70 years ago)

Mrs. Scott asked that these items be placed on the March 1, 2018 Zoning Commission agenda for discussion.

CONTINUED BUSINESS

Mr. Springer provided an update to Chapter 1: Plan Overview which was discussed in previous months along with outlining Chapter 2 Goals and Objectives which included the following discussion items:

2.1 – Community Character

A. Balance community design with open space conservation.

- 1) Balance development and the need for services and businesses with protection of natural resources and historic structures.
- 2) Protect cultural resources including historic districts, buildings, structures, sites, public works, transportation corridors, heritage areas and corridors, cultural landscapes, objects and related built forms.
- 3) Ensure the conservation of housing stock in residential neighborhoods, economic development and revitalization, protection of historic landscapes, and preservation and growth management of rural areas, and conservation of farmland.
- 4) Work with the private sector, independent organizations and citizens to increase awareness of, and to protect and enhance Copley’s historic resources.
- 5) Support continued dialogue between local planning agencies, the general public, and the development community to discuss the public costs associated with new development, reaching an understanding on the calculation of such costs, and establishing alternative means for financing these costs, including the use of impact fees.
- 6) Sustain Copley as a good place to live by offering affordable housing opportunities.
- 7) Develop architectural design guidelines to help define desired architectural elements in new development.
- 8) Make districts distinctive and attractive destinations by using design guidelines.

- 9) Integrate preservation into the land planning process, including incorporating preservation goals into the Land Use Plan and reconciling and coordinating preservation policies with state and other local policies.
 - 10) Educate and encourage methods of landscape design, landscape and park maintenance, and agriculture that reduce or eliminate the use of pesticides, herbicides, and synthetic fertilizers as well as encouraging the use of compost and conserving water.
 - 11) Identify traditional Township settlement patterns as a desirable means to promote community character and diversity.
 - 12) Encourage compact and mixed-use development that minimizes the need to drive, re-use existing infill and brownfields sites that have been thoroughly reclaimed and remediated before using open land.
- B. Protect historic and cultural resources.**
- 1) Encourage land owners to recognize the value of historic resources as major contributions to the quality of life and to cultural vitality, and as resources that both remind us about our past and provide a stimulus to economic vitality and the potential for tourism.
 - 2) Support funding of programs for the preservation of Copley's historic resources.
 - 3) Support enabling legislation to provide tax incentives to encourage the rehabilitation of historic resources, including tax credits and tax abatements.
 - 4) Appoint a Historic District Preservation Committee.
 - a) Identify, preserve and enhance historic, cultural, or scenic resources.
 - b) Develop entry signage and landscape improvements for selected entranceways into the Township.
 - c) Work with the Copley Township Historical Society to locate and protect historic structures.
 - 5) Copley Circle
 - a) Define, protect, and enhance a designated area around Copley Circle as a historic district.
 - b) Seek historical designation for the Copley Circle to allow land owners access to loans and protection against certain types of development.
 - c) Improve the Circle by installing historic style fixtures such as benches, lighting and other amenities.
 - d) Prepare a historic district master plan for improvements of district such as streetscape, traffic, landscaping, signage, and façade renovations.
 - e) Encourage mixed-use in district including ground-floor retail and upper level residential uses.
 - f) Accommodate the reuse of closed or obsolete buildings and uses.
 - g) Encourage walkability throughout district and enhance pedestrian environment.
 - h) Develop comprehensive wayfinding signage.
- C. Identify ways to maintain historic corridor areas.**
- 1) Create a Scenic Byway Committee to work with ODOT to develop byway designations to connect with the Ohio and Erie Canal and the Heritage Corridors of Bath.
