

Dear Student:

April, 2022

Thank you for expressing an interest in assisting at Copley Township Safety Town School. I am certain that you will find it to be a pleasant and rewarding experience. Student volunteers (age 13 and over, no exceptions) are needed to assist kindergarten age children while they are learning important safety rules, making crafts, singing songs and having fun. Volunteers are an important part of the Safety Town School Program.

Safety Town School 2022 will be held at Copley-Fairlawn Middle School. It will begin on Monday, June 6th and will be conducted each day through Friday, June 10th from 9:00 A.M. to 11:15 AM and from 1:00 P.M. to 3:15 P.M. Volunteers need to be at the school at 8:40 A.M. (and/or 12:40 P.M.) on Monday for a short orientation session, and then at 9:00 A.M. (and/or 1:00 P.M.) each day following.

Each volunteer will receive a certificate noting the total number of hours donated to the Safety Town School Program which may satisfy church and school volunteer hour requirements.

Please review the "Safety Town Student Assistant Responsibilities and Expectations" information attached. Volunteering at Safety Town will be one of the most interesting, educational and fun experiences in your life. It is also a lot of work, so be prepared! Please be sure that you are willing and able to be committed to the program. Be there each day, on time, and be ready to work!

Please complete the Student Volunteer Form provided and return it to the Copley Police Department prior to May 20th . This form must be signed by a parent or guardian. You are encouraged to get ***your form in early***. The last several years, the number of applications received has been overwhelming; the number of student assistants accepted for participation ***may be limited***. You will receive a reminder email or notice in the mail by June 1, 2022.

Please call Windy Lewis at 330-388-7444 or email [safetytown@copley.oh.us](mailto:safetytown@copley.oh.us) if you have further questions.

Again, thank you for volunteering to help. This program could not be possible without your assistance. You will never know how many lives you will save or how many accidents you will prevent by what you have taught children at Safety Town School. Good luck, have fun and THANK YOU.
